

Horringer Church St Leonards

At St. Leonard's Church, Horringer we have a ring of 8 bells. The heaviest, the tenor, weighs 9cwt and is tuned to the scale of *Ab*. The oldest 3 bells have been dated as pre-1553. However, they were all recast and made into a ring of 6 bells in 1818.

In 1912 two new trebles were added to make our present ring of 8 bells, and as our tower is not very big, the bells are hung in two tiers, with the 3rd and 4th hung above the rest.

They were re-hung in 1952, and since then have been maintained to allow ringing to continue. The bells are rung on Sundays from 10:30 a.m. to 11:00 a.m. and on the 2nd and 4th Thursday of each month from 7:30 p.m. to 9:00p.m.
